

CAMP AND HIKE

On selected weekends throughout the year, I host special Camp and Hike events.

The two major events are Memorial Day and Labor Day, but I frequently add more.

These events are usually limited in space and are relatively inexpensive. Priority is given to anybody who has donated to the Pin Fund. Invitations are usually sent out by text.

If you want to get onto the list for future Camp and Hike events, then you can:

- **text "camping" to Phone number 555888**

People on these lists get advance notice of upcoming events.

Both lists are private and can be tailored to receive only notice of the events that you might be interested in.
